

## The INFLIBNET Centre gets “Jury Choice Award e-INDIA 2010”

in the category

“Digital Learning : ICT Enabled University/ Higher Education Institute for the Year 2010”  
for its Project entitled

“National Library and Information Services Infrastructure for Scholarly Content (N-LIST)”  
funded by the MHRD under the  
National Mission on Education through ICT

The INFLIBNET Centre was awarded “Jury Choice Award e-INDIA 2010” in the category “Digital Learning : ICT Enabled University/ Higher Education Institute” for the Year 2010 for the project entitled “National Library and Information Services Infrastructure for Scholarly Content (N-LIST)”. Out of 464 nominations for awards in various categories, 444 nominations were selected. There were 20 nominations under the “Digital Learning through ICT in Higher Education Institute” for the year 2010. The award was presented to Dr. Jagdish Arora, Director and Mr. Ashok Kumar Rai, Scientist D from INFLIBNET Centre during “e-India Conference 2010” held in Hyderabad on 5<sup>th</sup> August, 2010 by Ms. Agatha Sangma, Honourable Minister of State for Rural Development.

The project entitled “National Library and Information Services Infrastructure for Scholarly Content (N-LIST)” is funded by the Ministry of Human Resource Development (MHRD), under its National Mission on Education through ICT, and is being jointly executed by the INFLIBNET Centre and IIT Delhi. The project provides for i) cross-subscription to e-resources subscribed by the two Consortia, i.e. subscription to INDEST-AICTE resources for universities and UGC-INFONET resources for technical institutions; and ii) subscription to selected electronic journals and electronic books for colleges. While the IIT Delhi is

responsible for activity listed at (i) above, the INFLIBNET Centre is responsible for extending access to e-resources to colleges. The Centre is also responsible for developing and deploying appropriate software tools and techniques for authenticating authorized users.

Under the project, individuals (including students, researchers and faculty) from colleges and other beneficiary institutions have access to more than 2,100 electronic journals, 51,000 electronic books and a bibliographic database called MathSciNet through a proxy server installed at the INFLIBNET Centre. The authorized users from colleges can access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated using technologies deployed for this purpose at the INFLIBNET Centre.

### Current Status

The Project was formally launched by Honourable Union Minister of Human Resource Development Shri Kapil Sibal on 4<sup>th</sup> May, 2010. As on August 5, 2010, a total number of 1296 colleges have registered themselves with the N-LIST programme including 783 colleges covered under the 12 B and 2F Section of the UGC Act. Log-in IDs and passwords for accessing e-resources have been sent to these 783 colleges after obtaining list of authorized users from them. Remaining colleges are being advised to join the initiative as N-LIST Associates. All e-resources subscribed for colleges under the N-LIST Programme are now accessible to these 783 colleges through the N-List website.
